

## PLEASE READ THIS PAGE BEFORE COMPLETING YOUR ORDER FORM.

### ONE FREE BOOK FOR EVERY TEN ORDERED

From April 2011 you qualify for **one free book** for **every 10 books** you purchase. The price of the free book may, however, not exceed 10% of the total amount of your order and you must order **at least ten books**. This does not apply to bookstores or in instances where a specific discount has been negotiated with us.

**For example:** If you order any **10 books** to the amount of R900, you can indicate a free book to a maximum amount of R90 on your order form. So if you order at least **30 books** to the amount of **R2000** you can get **THREE free books** with a total purchase price of **R200** e.g. a R90, R60 and R50 book.

### CONTENTS OF BOOKS

- All the books are bilingual** except where the language is specifically mentioned. Books marked with **NCS/NKV** denote publications on the **existing curriculum** while **CAPS** refer to **publications which have been or are being prepared for the CAPS curriculum that will be introduced in Grade 10 in 2012.**
- The following books cover the content of the NEW (NCS) subject curricula, **section wise according to topics**, with the aid of questions and complete answers.
  - PHYSIchem** Grd. 12 NCS : Grd. 12 Physics contents of Physical Sciences;
  - physiCHEM** Grd. 12 NCS : Grd. 12 Chemistry contents of Physical Sciences;
  - PHYSIchem** Grd. 11 NCS : Grd. 11 Physics contents of Physical Sciences;
